Yet again another fashion related foreign press trip not long after returning back from Fashion Philosophy Week Poland. [Shini](#) and I were invited by [Mango PR](#) and [Lake's - My Lake Hotel & Spa](#) to attend their [Fashion Days](#) for three days in [Lake Wörthersee](#), southern Austria showcasing local fashion talents at the hotel's venue with it's stunning picturesque backdrop. Stay tuned for more visual diary posts, hotel review and the showcase it was a 'worth-to-see' experience.

Thanks Shini for photo of me running towards the lake (no I didn't jump in).
